

# Meeting notes

Create meeting note

## Incomplete tasks from meetings

Description	Due date ▴	Assignee	Task appears on
<input type="checkbox"/> @ <a href="#">Marc Hadley</a> Take another pass through existing guidance to see if there are other known examples of how abstract principles are in play at CDC (reference these examples where applicable).		<a href="#">Marc Hadley</a>	<a href="#">2019-02-19 Tech Panel Meeting</a>
<input type="checkbox"/> @ <a href="#">Marc Hadley</a> In API Implementation Guidance, look for and link to examples of demonstrated workflows / best practices for implementing APIs using Java, .NET, R (plumber library)		<a href="#">Marc Hadley</a>	<a href="#">2019-02-19 Tech Panel Meeting</a>
<input type="checkbox"/> @ <a href="#">Ammu Irivinti</a> Reach out to Chief Public Health Informatics Officer for suggestions on bringing this existing guidance to a broader audience (validate this approach with SDP Program Manager first).		<a href="#">Ammu Irivinti</a>	<a href="#">2019-02-19 Tech Panel Meeting</a>
